Error Assigned by John Graves upon a Judg given at him in St Marys County Court at the suit of Joseph Fowler

1: His Error in this that the Action is Grounded upon a Severe Conversion and the writt and Decl is of one John Graves Admr of Thomas and yet declares that John Graves in his Owne proper person made conversion and not as Admr which is Manifest Error

2: The Jury that were Sworne to try the Issue did not give any Damages as they ought to have done and without which the Court could not Award any for the Issue was not fully Determined — Because the Damages was more than the Condition Authorized them by Law they could and Reason the same Erroneous

3: The Court gave Judgmt that the Ply should recover the Goods in Specie which Could not be by Law neither were they sued for but only Damages for them and therefore the Judg Erroneous in that part also

4 The Sd Erroniously Assigns which is not sufficient both and many more in the Records and Proceedings and also in rendring Judgt the said John Sayeth that the same may be Sett aside and Reversed and he all things that thereby he hath Sustained Loss may be Restored or Amended
