The Deposition of James Moore of full age who have been Duly sworn. Deposeth and Sayeth that When he run the first Line of Darnalls Camp Beginning at the two Bounded Oaks described in the Depostion before taken that at the end of the said Line we stopt some of the Company mentioned that there was a Popular Tree a Head and I Replyed that it may be a Bounded Tree and we measured the Distance thereof and it was Eight or ten Perches or Chain Lenght to the said tree which was to the right hand of the Course and the said tree upon Examination there appeared to be Six Notches or more thereon which appeared to be Regularly placed and that at the time of there being here Mrs Wright sister to Benj.a Ingram was about two Hundred Yards distance from me or more to the right hand of the said Popular or Line in Search of the Second tree of Darnalls Camp and said her Father had Shown it to her when down but I this Deponent saw no Such Tree neither Could she find any Such Tree but said it was near that Place But no Person ever proved the said poplar to be a bounded Tree or deemed it to be such that is the tree marked with the Six Notches described as aforesaid to the best of my Knowledge and further saith not
