Replying to your letter of the 15th instant, I beg leave to say, that I can find no warrant in the Specifications, relating to the construction of the West Low Level Interceptor, Sections 1 and 2 for the Commission to make the pre-payment mentioned. Such a payment would be contrary to the express directions of Sections 59 and 60 of the Specifications, and might operate to release the surety.

Truly yours,

(Signed) W. Cabell Bruce,
City Solicitor.
