

File No. 13731

Baltimore, December 12, 1911.

William A. Larkins, Esq.,  
Commissioner of Street Cleaning.

Dear Sir:

Yours of the 12th, enclosing copy of a letter addressed to Messrs. Geo. A. F. Reinhardt & Son, in reference to cleaning the Southern Stable, received.

10120

If Messrs. Reinhardt & Son had a contract for a year (which I understand to be the case) and the contract was suspended, by mutual consent, for five months or thereabouts, I think it is proper that the contract should continue to run that number of months or until Messrs. Reinhardt & Son have had the benefit of a twelve months contract. Then, if you want to bring the letting of the contract back to the first of the year, you could advertise for proposals for the remainder of 1912, so that, in 1913, it would start on the first of the year.

Very truly yours,  
(Signed) S. S. Field,  
City Solicitor.

The application for the transfer of said Stock, as requested, should be refused, unless there is first furnished to the City Register a certified copy of the order of Court authorizing the same. This is the correct position, in my judgment, although I am informed by the
