Dr. C. Hampson Jones

Dear Sir:

14229      Apropos of your communication to me of November 22nd, relating to an advertisement of Mr. J. H. B. Jones in the window of 326 N. Stricker Street, I enclose a report addressed to me on the subject by Allen A. Davis, Esq. Assistant City Solicitor.

I advise you that the administration of the statutes in this particular case is one for the State's Attorney. Accordingly, I concur in Mr. Davis' report that there is nothing this department may do, but it is your duty to bring the matter to the attention of the State Officers.

Very truly yours,

Dear Mr. Wallace:

14230      The attached communication from Dr. C. Hampson Jones, Commissioner of Health, is as follows:

"Mr. J. H. B. Jones, residing at 326 N. Stricker Street, has hung in his window a sign reading as follows:

"I stop pain in your body, and give electric massage at your home free. Any donation accepted".

"He is not licensed to practice medicine in this State or elsewhere as far as we have ascertained.

"Is he not violating the medical practice law of this State even though he apparently makes no charge but receives donations?"
