IN RE: Construction of Ordinance No. 58,
approved December 28th, 1911.
Whether it applies to cellar drainage.

Dear Mr. Wallace:

14240

Mr. Milton J. Ruark, Sewerage Engineer, in a letter dated November 26th, 1926, has asked to be advised whether his Bureau has authority under Ordinance No. 58, approved December 28th, 1911, to make such alterations upon the property No. 2151 Wilkens Avenue so that a cellar drainer, now in use upon that property, may be abandoned. This work has been ordered by a letter to the Bureau of Sewers from the Health Department.
