Fall.

THE NATIONAL PRESS;

A JOURNAL FOR HOME; A Repository of Letters; A Record of Art; A Mirror of Passing Events. To be Published every Saturday, at Two Dollars

Year, in Advance. GEORGE P. MORRIS, Editor and Proprietor. A NUMBER of the most eminent literary persons of this country, have proposed to the undersigned to publish, under the above title,

A REFINED AND VALUABLE NEWSPAPER. Upon a plan cembining the highest resources of National Talent with the best elements of extensive popularity, and at so trifling an annual cost as will place it within the convenient reach of

ALL CLASSES OF SOCIETY. The control and management of this publication will form the exclusive and undivided attention of the Editor-whose long experience, ample facilities: and practised care, will be exerted to select, unite and harmonise, the various skill which is willing to seek development under his direction. The SCOPE, DESIGN AND CHARACTER OF THIS

Will differ from those of any journals heretofor? established, while it will comprehend all that the contain of importance to the community. The contents will be fitted to engage the attention of the man of business, and be a source of elegant instruction and entertainment to the

DOMESTIC FIRESIDE AND FAMILY CIRCLE! The leading characteristics of this paper will be

1. Early and Copious Intelligence of all interesting occurrences in Literature, Society, and Art, both at home and abroad. 2. A Foreign Correspondence of tried popularity

and acknowledged merit has been engaged, and will be commenced with the first number. 3. Productions in fiction, romance and historica! narrative; Sketches of the taste and mannees of the time; Essays, after the manner of the Tattler and Spectator, on subjects connected with social interests; biographical notices and annecdotes, literary and professional; bon-mots, epigrams, and elegant trifles of every kind; the rumors of the day, and the comments that float upon the conversation of the hour-materials of this kind will form the ordinary

4. The department of Criticism will exhibit a discriminating and popular survey of the Literary Productions of the day. There will be a thorough and careful chronicle of every thing of value accomplished in Painting and Sculpture, and a candid and patriotic estimate of the National productions

in comparison with other countries. Such exposition of the character and special excellencies of what is exhibited in Music will be constantly given, as may lead to the more intelligent enjoyment of EFT the subscriber's farm, in St. Mary's that most imaginative and delicate branch of the

my negro man BOB. He is a obvious and decided merit; and the selections (which will commonly be from the foreign journals the Charles and St. Mary's counties; least known in this country) will be made with the and it is supposed that he is lurk- utmost attention and care.

ing somewhere in the former of these, where he has a large number of con-ly and decidedly national in tone and features, and nexions. If not there he has made his way at the same time, to avoid all connection with mere to Westmoreland county, Va., his wife and party politics. THE NATIONAL PRESS will, THE subscriber being authorised by the children being owned by Mr. James Payne in brief, combine the striking and novel attractions of the newspaper, with the more abiding interest of

heirs of Joseph Watson, late of Charles of that county.

County, deceased, will offer at public sale, in the town of Port Tobacco, on TUESDAY the said negro (if caught in Maryland,) at new and clear type, obtained expressly for the purpose, and will be, in its whole arrangement and deceased. the 20th day of January instant, a tract of my residence near Georgetown, or secured pose, and will be, in its whole arrangement and de-LAND, called "ABERDEEN," containing in jail so that I get him again; or \$50 if skill of the country. In addition to these, and as one of its most valuable peculiarities, it will be, in more or less, situated in Charles County, years of age, in height 5 feet 10 1-2 inches, reference to the diversity of talent that will be em-
