WHITMAN'S PREMIUM WROUGHT IRON RAIL-WAY HORSE POWER.

A T the great Agricultural State Fair, held at La Baltimore, October, 1849, there was the largest exhibition of Horse-powers and Threshing Machines ever exhibited in this State, or at any other State Fair in this country, and all thoroughly examined and tested by a large and competent committee, who awarded the first premium to the above power, as the best on the ground. More than five thousand of these powers are now in use by many of the best Farmers in the country, and they consider them to be double in power to any of the best Sweep Powers, more durable and much easier for

the horses. CASH PRICE, \$100. E. WHITMAN, JR., Corner of Light and Pratt Streets, Baltimore. TAs evidence that we do not over rate the ea-Baltimore, keep constantly on hand a gene- and we are in daily receipt of letters of the same

est notice, and on as favorable terms as can Dear Sir :- I have for some time intended giving be had in the City. Having recently fitted you a full description of the operation and success TAVE just received a very large increase to up a Factory in PRATT STREET, between of the 2-horse wrought iron Rail-Way Power and Eutaw and Paca Streets, for the purpose. I will give you a few instances of threshing:-I where they are prepared to manufacture carried the whole machine between 8 and 10 miles comprising a splendid assortment of all kinds of every article in their line, and can assure with an ox cart, and set it three times on different goods in their line. The prices, too, are lower than their friends and the public that their work farms, and threshed from 115 to 120 bushels of in the early part of the season. Our stock of dress will be executed with faithfulness, and the wheat in one day, and each time took the machine materials of the best quality, and they flat- out of the cart; made the tables; geared the horses; Small figured and brocade silks of the latest styles and patterns; colored silks of various styles, suitand patterns; colored silks of various styles, suitable for either mantillas or dresses; black water- will favorably compare with any to be ob- Garnett, Esq., were witnesses to the above. In another instance, I commenced threshing at Mr. vets for do; bonnet and other millinery silks; The farmers and planters of Charles and W. R. G. Trible's, at 8 o'clock in the morning, and Prench merinos, a full range of colors; printed me- the neighboring counties, may find it to their threshed 92 bushels of wheat by 12 o'clock in the rinos and cashmeres, very superior, in styles and interest to call and examine their stock and afternoon of same day, and threshed 47 bushels o wheat before sun down. Mr. L. D. Brooks, Mr. Beverly Breeks, and others, can vouch for the truth Among the machines they manufacture, of this statement. I frequently threshed 100 bushlyonese cloths, high colors; Irish poplins, with will be found the following, all of which els of wheat from breakfast to dinner time-and during the season, I threshed 38 different crops, Fitz's Horse-Power, with wrought shafts. making in all 5,450 bushels of wheat, and the wear of the machine is scarcely apparent—and I consid-

> light land. I candidly believe, your wrought-iron You will please have two of your Improved Railway Horse-power and Threshers put up and sent

Very respectfully, yours, W. G. COVINGTON.

ONE WHEEL POWER. WATE also have the EDDY POWER, which is VV one of the most simple and durable Sweep Powers now in use. It consists of one wheel only. and the horses work inside of the wheel. It can be transported easily from place to place, in a common farm wagon, and may be set up in 20 minutes, and taken down in half that time. It is simple in conthough it is better to have it under cover, when stationary, especially during stormy or very hot weather. For efficiency, durability and simplicity. this, for a sweep power, is preferred by many to all others. Price of the largest size, with our late ima E. WHITMAN, JR.
