Exhibit K K referred to in the above bill of complaint to wit

An agreement made between Wm W. Allen of Somerset county of one part and Peter Guillet of same county of the other part to wit: on twenty first days of June 1819 said Wm W. Allen sold to said Peter Guillet (as per contract) all the white oak trees from twenty inches in diameter measured at two feet from the ground then standing in his plantation known (by Allens Vale) without any reserve whatsoever, it appearing that said Allen pretends to have sold only the trees upon the tract of land called Allens Vale, and not upon all the land, making part of Allens Vale plantation, to this occasion Wm W. Allen, argues that a piece of lande called Widows change making part of Allens Vale plantation, is not! or rather the trees upon it, a part of the sale above mentioned and Peter Guillet content the contrary— Now said Allen & Peter Guillet wishing to avoid all matter of difficulty which should trouble their mutual affections therefore do authorize by these our appointments John Bowland Esquire & John Bell Esquire to pronounce upon the above pretentions whose decision shall be construed as final as if settled in a court of law under penalty of one thousand Dollars, further agree that in case that the gentlemen above appointed as arbitrators should disagree in their opinions, the same are authorized to appoint a third arbitrator of their own choice to adjust the business March 14th 1820
