

Bark Abram Barker

Saturday June 23 - 00

The first part of these 24 hours pleasant ~~with~~
 With the wind from the S. & our men employed
 in getting the boats ready for action in case
 of seeing whales. Our course is E. by S. & we
 have all sail set & the
 latter part the same & our course the same
 & our men are employed in making scrubrooms
 and getting the boats ready &c.

Sunday June 24 - 00

The first part of these 24 hours strong breeze
 from the S. & our men are employed in
 making scrubrooms & getting the boats
 ready & the 2nd mate has been giving
 us some music this evening &c.
 Latter part equally so we had to double
 reef the topsails & our course is N. N. E. &c.

Bark Abram Barker

Monday June 25 - 00

The first part of these 24 hours Equally with
 rain so that we had to reef our fore topsail
 Wind from the S. & our course is N. N. E.
 Seen one Brig heading to the S. & under
 short sail &c.
 Middle part pleasant with a light breeze from
 the North & one sail passed us about one o'clock
 & our ship is under short sail or under
 double reef fore topsail &c.
 Latter part pleasant with a light breeze & the
 Ballad & our men employed in breaking out &
 getting the cutting gear ready & fixing the
 boats & one sailer. Light & we have all
 sail set steering to the N. E. &c.

Tuesday June 26 - 00

The first part pleasant with a light air
 & we have all sail set & our course is N. E.
 & about 5 o'clock we hoisted our boats to try
 our crews & the 2nd mate has been employed
 in breaking out and getting our cutting gear
 ready & the top off with we had a little music &c.
 Middle part calm & pleasant & we had out all
 sail trying to go to the N. E.
 Latter part pleasant with a light breeze
 from the South west & we had out all
 sail & our men have been employed in
 breaking out & fixing the boats & the 2nd
 sail in light off & we are heading towards
 us

Wednesday June 27 - 00

The first part commences pleasant with a light
 breeze from the S. & our course is N. E.
 & we had all sail set till eleven o'clock
 & then we double reefed the topsails & fired
 the main sail & tried the pumps &c.
 And it now seems as if there was a gail
 coming on it has shaded up & looks much
 like a storm &c.
