

I suppose that she was right but I can't help thinking of her if she never thinks of me if it should ever be my good fortune to get married I should be satisfied with half as good a wife as Capt Crocker has got you may consider yourself favored I never told any one so much about myself before you say you are happy and sincere there is no one that I know believes to be as much than yourself. It does not surprise me to hear that you are happy for if ever woman got a good husband you have got one you have every reason to thank your heavenly Father for all the blessings he has conferred on you you have every reason to be happy with all your kind friends about you to anticipate and supply all your wants while I am alone with none to care for me But I hope it will not always be so Please to remember me to your parents I shall always remember their kindest best respects to Mary Jane Shubert and George And now may the blessings of God rest on you and yours is the fervent wish of your sincere Friend and Wellwisher To Mrs Frances Crocker
