rushed on deck and down the companion way into the sampan and started to go ashore but the Japanese did not want to take the men ashore as they would get into trouble but the men rip up the boards out of the bottom of the sampan and hit the Japanese over the head and made them scull there was another sampan along side of the ship which the captain jumped in and came ashore after them but the men paddled ashore with the boards as hard as they could go they reached the shore some four minutes ahead of the captain they all got clear one of the men came aboard of our ship and stowed himself away so that he would not be found out. As soon as our men got done working aboard they came aboard of our ship and immediately after arriving aboard two of our men ran away. on the 10<sup>th</sup> of April took aboard one half ton of Tobacco. 26 sacks of flour. one box of Preserver. 4 quarters of meat. 193 Pickles of Potatoes for our own use. On the 12<sup>th</sup> of April one watch had liberty to go ashore for twenty four hours. On the 15<sup>th</sup> the other watch had liberty to go ashore and return the next day one of our men left while at liberty ashore.
