On the 6th of Sept went to Sea Horse Island there to cruise for more Whales. - Did not see any more for a few days but when we did see any - it was blowing a gale of wind all the time. On the 27th of September the Barge Rosco was totally lost in the ice. All hands saved. On 4 of October we spoke the Barge Ithaca then (captain asking us where we was going) about our Captain telling him just as soon as we got one more whale. On the 5th of October saw a small whale and got him. Killing him out making altogether 1280 Bbls of Oil, 167 Spuns 450 Walrus, 673 Bow head. - On the morning of the 6th of October - We squared yards for Honolulu Sandwich Islands, it took us 4 days to go to the straits passed through Kamise on the 10th of October passed by Blower Bay on the 12th of October, on the 15th of October passed through Fox Islands with a fair wind and steady breeze. On the 23rd and 24th ~~blowing~~ blowing a heavy gale from the S.W. being a head wind therefore we could not do any thing we had to heave too far a day or too. On the 27th and 28th we tried all our best road for to go into Market
