

-1873-

a first rate time. I went up to ~~the~~
Cunmy, Gauer, and was very much interested
in that Place. As you will see below.

Cunmy,
Gauer,

This City is Computed with Yokohama there
being about 20,000 inhabitants. Mostly Gills.
you will see below a view of the
Battery and Fort at Cunmy, Gauer, Japan.

-1873-

I left Cunmy, Gauer at 1 o'clock to go
over to European town. There being a great
many white People living there. Below
I will give you a representation of the town.

European
Town.

On the 24 of April 1873 the other
watch went to ashore. On the 27th
I went ashore again, and had a
nice time. I took a walk all around
the town you will see below a view
of a Japanese Pawn Brokers Shop.
