

The image shows a page from a historical manuscript, likely a cursive alphabet book. It features several examples of cursive letters and words. At the top, the word "Tiverton" is written in a large, elegant cursive script. Below it, the word "Tive" is written. The page is heavily marked with large, dark, diagonal strokes that cross out the text, suggesting it was either a practice page or a page that was later deemed incorrect or obsolete. The handwriting is a historical cursive style, possibly from the 17th or 18th century.
