and faster, at the same instant the
Whale hove the bow over and stove
her and one man missing James Walker
at main & Demerol, he was never seen
afterwards supposed he was killed by
the Whale or the oar struck him and
stunned him, cannot account for no other
way for he was a good swimmer, and the
Starboard boat was soon ad and rendered assistance
so there is no doubt the man was stunned
and sunk immediately. Starboard boat chasing
