LOST. B. B. Lost a Right-Whale

S. Lat. - 36. 6. 1. Long. 116. 13. 6

A black and white photograph of a textured surface, possibly a book cover or endpaper. The surface is covered in a dense, wavy, and undulating pattern, resembling a marbled paper or a heavily textured material. Several dark, elongated, and irregular shapes are scattered across the surface, resembling ink splatters or small, dark objects. The lighting is somewhat uneven, with brighter areas in the center and darker tones towards the edges. The overall appearance is aged and worn.
