

Thursday Jan 26th 1860

Commenced with moderate trades and Pleasant saw two Backs and many Blackfish Back on the SW back with all sail set at sunset Jacked to ENE middle and Vatten part weather fine employed Stowing Dried Oil Sat 4 Ocs 13.58

Friday 27th

Commenced with Pleasant Trades and heard Ship the SW saw many Blackfish but no Whales.

but we shall finish Stowing tomorrow if not deterred by seeing Whales which I should like very well to believe. Middle part heard Ship to the ENE Vatten part at daylight heard to SW employed Stowing Oil at Midday finished ready for some more Sat 4 Ocs 14.18

Saturday 28th

Commenced with moderate trades and Pleasant Back on the SW Jack at sunset Jacked to Eastward Middle part weather fine Vatten part at 2 PM Jacked to the SW at daylight heard Ship to the ENE saw five Backs but no Whales to day so we must wait for the morrow Sat 4 Ocs 14.38

Sunday 29th

Commenced with Pleasant Trades Back on the Eastward Jack by up from ENE to E Middle part heading to Eastward Vatten at day made sail at 8 PM Jacked to the SW Sat 4 Ocs 14.58

Monday 30th

Commenced with moderate trades Back on the SW Jack saw and got a small Whale took him 15 lengths and cut him in two and so hope to see some more ones day tomorrow Commenced Boiling Vatten part finished Sat 4 Ocs 13.58

if the Ship had been put off shore we should have seen the Whales first before going to the Middle part with moderate trades Back on the SW Jack saw several Blackback Ships (W.) and said the same with great numbers of Whales great success Sat 4 Ocs 14.18

Wednesday Feb 1st 1860

Commenced with strong trades and Pleasant at 4 PM saw the Whales going quick towards their Boats but could not strike at 7 PM came in Board but hope and pray we shall get one on the morrow Middle part Vatten part at daylight heard Ship to the ENE Vatten part at 6 PM heard Ship to the SW at 11 Jacked to ENE saw many Blackfish and and long to day we didn't see the Whales Sat 4 Ocs 14.52

Thursday 2nd

Commenced with strong Trades Back on the Eastward by up NE by saw two Backs Middle part trades strong weather cloudy Vatten part at 4 PM heard Ship to the SW saw several Backs but no Whales hope to see them soon and get a couple for we are feeling rather anxious Sat 4 Ocs 14.36

Friday 3rd

Commenced with strong Trades Back on the SW Jack by up SW employed Repairing the Mainsail finished and Blot it Middle part Blowing strong Back heading in Shore by up ENE Vatten part at 3 PM heard Ship by up SW better Pleasant Sat 4 Ocs 15.08

Saturday 4th

Commenced with Pleasant Trades Back on the SW Jack by up SW at 3 PM heard Ship to the ENE at sunset it is tired sail Middle part Vatten part weather the same Sat 4 Ocs 14.28

Sunday 5th

Commenced with Pleasant Trades but I suspect it would seem much Pleasant if we had some Whaling to do for we are feeling anxious the mate has been coughing to day and Monday I shall have to go to some of the good Tales of the Old Tackling Middle part at 10 PM saw something we called for Whales Jan part nothing in sight Sat 4 Ocs 14.28
