

Sunday July 20th 1863

The same thing nothing in sight but B.R. and the land
as we I am really tired but still I think that the above
Rules of all things does all things for the best and I think
we will have a time and get some bit
Sea Grant

Monday 21st

but few birds in sight saw a sulphur Bottom and
hope we shall see some Whales in the morning and get some
Minerals & Valerian past weather the same kind of birds in 4

Tuesday 22nd

Commenced with Pleasant Trade B.R. off Weather Bay
Commenced with Ship & Land

Wednesday 23rd

B.R. heading to Westward Midway & Valerian past the same

Thursday 24th

Weather Beautiful but nothing in sight but the Ship
B.R. by up to the B.R. at sunset. The weather fair
Badly in want of a Whale every body has had Whales
since having taken some but ourselves not. Hope we shall
soon

Friday 25th

Commenced with moderate Trade steady off
at Vuffel to the wind to Eastward Commenced with
Industrious Valerian past because to the same time B.R.

Saturday 26th

Weather - Land breeze Ship to Eastward nothing of Whales
Minerals & Valerian past weather - Good

Sunday 27th

Nothing in sight

Monday 28th

The same old thing Commenced with Ship & Land - Breeze
