

- 24 S 15 This day we had a moderate breeze and we run off untill one P.M. when we came to and laid to the rest of the day with nothing in sight
- S 16 This day we had a strong breeze and saw nothing but to the end of all day we are now bound to new log for wood and water and from there we shall go to Stingers at Copang to recruit and have liberty
- S 17 This day we had strong breeze and a plenty of finbacks and birds and I shot two bottlenoses we are bound to the S. and the old man got a lunar observation this afternoon
- S 18 This day we had a good breeze and saw nothing but finbacks
- W 19 This day we had a good breeze and raised Christmas Island and passed it at noon saw nothing more but birds
- S 20 This day we had a good breeze and saw two or three small Islands on the Starboard hand and raised the Isle of Java at two P.M. and run down for Java head and saw it at sunset we shall get into the Straights of Sum before midnight
- S 21 This day we had a good breeze and run into new log and anchored and got off our water and cut out boat loads of wood and brought off are the Florida was in back painting and watering
- S 22 This day we are lying at anchor and cutting wood and painting ship
- S 23 This day was a leisure one with the Florida started for Stingers this morning we took the boats and sailed around the Island to see the monkeys and lions and tigers and so on

- S 24 This day we had a moderate breeze and off all our wood today and it away thirteen boat loads all and finished painting and are all ready to go to town
- S 25 This day we got underway at four P.M. with a good breeze but it died away calm at 10 P.M. and we had to come to an anchor at 10 at night in the mouth of the harbor the Java boats boarded us in the afternoon and we got some recruits
- W 26 This day it was still calm and we hove up and towed in and sent a watch ashore there is a ship passing through the Straights every day and some come to an anchor and wood and water the Florida is here to
- S 27 Sent a watch ashore and nothing doing but getting recruits on board
