

- 43 To day we had a steady breeze all day with nothing in sight rain squalls all day
- 44 To day we had a steady breeze all day with nothing in sight rain squalls all day
- 45 To day we had a good breeze all day with nothing in sight
- 46 To day we had a good breeze all day with nothing in sight but two sails so end the day
- 47 To day we had a steady breeze saw a Trig in the forenoon and raised the land a few P.M. and laid off and on all night
- 48 This morning the land was few miles distant with a dead calm lowered six times for furling with no success got a breeze after dinner and got within five miles of the port of St. Catherine and anchored at eight P.M. with a calm

  
 A A A A A A A A

The 4th we got up to St. Catherine in the afternoon to anchor and laid there until the morning of the 18th when we took our anchor and put the sea with 50 barrels of potatoes four iron boxes 200 lbs water and three portagues when we started but a slave ran away from his master and hid us in the day and we took him to sea we now changed to the main banks for weight what

- 49 To day we had a moderate breeze all day saw a Schooner in the morning but nothing the wind is to the S and we want to steel S.S.E
- 50 To day we had a good breeze all day from the S.E. saw a lay on our lee in the morning and the third mate raised several breeches and the weather low at the atch but saw nothing more of them and the fourth mate raised some more at half past three P.M. but they turned out to be
- 51 To day we had a strong breeze all day from the S.E. saw some grampuses
- 52 To day we had a strong breeze from the E. steering S. saw some porpoises but nothing more

- 53 To day we had a strong breeze all day from the N.E. saw nothing so end the day
- 54 To day we had a strong breeze all day from the N.E. steering S.S.W. mended the fore of sails saw nothing
- 55 To day we had a light breeze with some rain through the day got on the edge of the banks at eight at 10 saw some porpoises and had a light breeze through the night
- 56 This morning the gale began to abate from daylight set the fore and mizzen of sails at eleven at 10 saw some billows after dinner had a light breeze
- 57 This morning we had a light breeze in the morning and died away calm in the later part saw a whale on the weather beam at noon
- 58 This morning we had a light air all day with the sea side in sight all day on the weather beam lowered down and went on board and found her out to be the ship of Boston for California
