

Rebekah, Asa

What I Have Made to & Done to Have Done

To Have the line fence straitened between Mullins corner & my self from the brow of the hill to the Swamp by the yard

To let my Father have the use of my Carpenter tools

To Have a Post & Rail fence run or set between Mrs Ostrander & my part of the undivided property & cultivate the Post sent to my father. Put the fence where Daniel Threl put the stakes as he ran the line

The Charges I Had in my dispute at home against my Father make no account of them

Have a row of Carriage bushes set the whole length of the garden through the middle of the garden
