

Ship Cyrus from England towards Cape Horn 1804

Hour	Course	Winds	Remarks on Sunday Sept. 21st
2	SE	SSW	Commence moderate winds and cloudy W ²
4			steering close by the wind on the Starboard
6			tack with Juggallantails set fore & aft
8	SESE	SSW	Middle part much the same
10			Latter part brisk breezes and some
12			squalls from the South. At 7 AM
2			the wind veering as far as South & a
4			great appearance of it getting Easterly
6			tack't ship and stood to the N. W. Wind
8	W. N. S.	SSW	all of the latter parts against a head
10	W. S. W.	South	sea. People unemployed on board as usual on
12			this day of the week

Course 59 Dist 18 Lat 18 Deg Long 34 Lat Old 1-06 Long in 26-26

Ship Cyrus from England towards Cape Horn 1804

Hour	Course	Winds	Remarks on Monday October 1st
2	W. S. W. S.	South	Began stiff contrary winds and
4			steering close by the wind to the W. S. W. at 5 P.M. took in the
6			M. J. S. at 7 equally took J. and M. J. S.
8	W. S. W.		and at 9 AM at which time split the clew of the
10	SW	SSW	middle staysail, furl'd him and took a single reef
12			in each staysail. Middle part more moderate
2			with Juggallantails. Latter part moderate winds
4			and fair W. with a rough head sea. repaired the
6			M. J. S. by M. J. staysail. set up M. J. S.
8			by the wind as necessary
10			At 6 P.M. it ruffed I discovered some very light
12			uncommon behavior in M. J. S. by his being
			what was on table and being himself. M. J. Brown
			and sending the trust away that I took no notice of it
			only ordered it back again, immediately he search'd for
			every smoking and on deck and before I had sufficed
			he had full to beating J. Morris on deck, and M. J.
			at which M. J. Brown upon me and set only aboard me with all things
			would rather but search'd only in the M. J. S. and found

Ship Cyrus from England towards Cape Horn 1804

Hour	Course	Winds	Remarks on Tuesday October 2nd
2	SWNW	SSW	Began with moderate Gale and fair W ²
4			still continuing my route to the S. W.
6	W. N. W.	bying aback	against the contrary winds. At 4 P.M.
8	SW	SSW	saw a school of black fish put off and
10	SWNW	SSW	struck two small ones and one large one
12			but could not save any by the storm dropping
2			out, at 1/2 past 5 made sail again &
4			stood on with all sail set
6			Middle part at or about upon the Equator
8			we had light winds and equally W. S. W. in
10			sail occasionally. Latter part fair W ²
12			this day having enjoyed the line the wind
			suggested Permission for Neptune to come on
			board, which I granted providing that
			Neptune was not likely to make disturbances
			and gave them a liberty night pass

Course 66 Dist 22 Lat 21 Deg Long 51 Lat Old 00-28 Long in 29-11

Ship Cyrus from England towards Cape Horn 1804

Hour	Course	Winds	Remarks on Wednesday October 3rd
2	SWNW	SSW	Commence moderate winds and fair W ²
4			continuing my course about Impatient
6	SWNW		for the winds to prevail more Easterly
8	SW	SSW	Middle part equally took in Middle
10			M. J. S. with staysails. Latter part
12			moderate and fair. Shifted the M. J. S.
2			and repaired the Old one thoroughly
4			and set all sail to the best advantage
6	SWNW	SSW	by the wind steering as near as she
8	SWNW	SSW	can lay with a full sail
10			this day Brought to a Board of Red N ^o
12			and a Purchase of London Bread, there being
			been one Bush of D. T. used before, &
			all of the Portsmouth Bread
