H	K	F	Courses	Winds	Remarks on Friday October 5
2	4	4	SW	SE	Brisk Breezes and fair weather throughout these 24 hours, first part sheering close by the wind, at 3 P.M. saw a ship bearing South and steering N.W. with all sail set, stood up all hands to 2nd and at 4 brought him too with our gun and at 5 spoke and boarded him found it to be the Asia of Beverly Capt. Lovett from Calcutta bound to Beverly having left the Island of Ascension four days ago & his Log now 21-30 which is a plain proof of our having an Eastern current about the Equator. Latter part made a side wind of it and sailing
