H	K	F	Courses	Winds	Remarks on Friday Feb 8 th 1806
2	8	4	ESE	West	Commences strong whole sail breezes and fair weather, making good use of the breeze with all sail set.
4	9	-			
6	9	4			
8	9	4		WSW	Middle part very strong winds, with some squalls and heavy weather, which brought us to close reef fore & double reef Main Topsails
10	10	-			
12	9	-			
2	9	-		SW	Latter part more moderate, made sail, to single reef fore & topsails, & 1/2 sails above them, the light aft, from WSW has assisted us in making the most Dist of any 24 hours this voyage
4	9	4			
6	9	-			
8	8	4			
10	8	4		WSW	Saw plenty of birds, and past through many schools of light coloured water, similar to good Norwegian Whale ground
12	10	-
