

Ship Cygnus from Cape Horn towards London: Paul Warts. started 1846

H	K	F	Courses	Winds	Remarks on Saturday March 20 th
2	5	-	East	North	Gentle breezes and foggy weather till 3 PM then foggy till 10 PM. Clear weather and brisk breezes carrying the Mr. Royal throughout these 24 hours which is very remarkable for this foul W. Passage saw many heavy places in the course of the day but could not determine the Set of the currents any otherwise than by OBS when it appears to have set 12 miles to the Northward of Lat. by Account
