The Thirty Requisites

Thirty points of perfection each judge understands
The standard of feminine beauty demands
Three white: and, without prelude, we know
That the skin, hands, and teeth, should be pearly as snow.
Three black: and our standard departure forbids
From dark eyes, larksome tresses, and darkly-fing'ed lids.
Three red: and the lover of comeliness seeks
For the hue of the rose in the lips, nails, and cheeks.
Three long: and of this you, no doubt, are aware?
Long the body should be, long the hands, long the hair.
Three short: and herein must beauty appear -
Feet short as a fairy's short teeth, and short ears.
Three long: and remember, this rule, as to size,
Embraces the shoulders, the forehead, and eyes.
Three narrow: - a maxim to every man's taste
Circumference small in mouth, neck, and waist
Three round: - and in this I see infinite charms
Rounded fulness apparent in leg, hip and arms
Three fine: and can aught the enchantment elude
Of fine tapering fingers, fine tresses, fine lips.
Three small: and my thirty essentials are told
Small head, nose, and bosom, compact in its mould.
Prove the same who compasses attractions like this
Will not set the caskets of Venus to phase
Which he who has met with an union so rare
Had had better luck than has fallen to my share.
