

Bb Desdemona In Kefupbaeing

July 13th

Calm and smoky weather  
Three boats down in pursuit of  
whales. It is supposed that  
there is a chance to strike ship  
showing down

July 14th

Calm boats down as usual  
at sunset - no success

July 15th

Pleasant and moderate breeze  
boats down in pursuit of whales.  
saw a good show of whales but  
not fortunate enough to get any.

July 16th

Pleasant and calm sea -  
boats down saw whales but  
did not get any. Part fresh  
breeze and no whale ship  
way. anchored at 7<sup>10</sup> in 17 fathoms

St Nyo Vincent - Keates - 1878

July 17th

Pleasant and fresh breeze  
boats down in pursuit of whales  
saw a good show of whales but  
was not fortunate enough to  
get any. anchored at  
sunset

July 18th

Pleasant and moderate breeze  
boats down in pursuit of whales  
saw at 4<sup>30</sup> pm the whale  
off shore being too high  
at 5<sup>30</sup> pm the land came out -  
the boats got on board 8<sup>40</sup> pm

Anchored at Bandy Point -  
17 fathoms

July 19th

Pleasant and very light breeze  
boats down in pursuit of whales  
returned at 6<sup>15</sup> pm no success

July 20th

Pleasant and light breeze  
boats down pursuing ship  
and in way sailing  
down the coast boats returned at  
sunset - anchored at 7<sup>10</sup> in 23 fathoms
