Remarks on Board Bark Gary Head W. S. Ashley Master

Friday Feb 13th

Come in with fine weather and gentle breeze from N.W. and cruising off shore because we can't get in shore. At sundown middle of Island bears N.E. by compass about 35 miles off. Crew employed painting top gear.

Saturday Feb 14th

Come in with a choppy sea and squalls of rain. And I find that there is a very strong current running to the south. At sundown fresh breeze from N.W. and ship on starboard tack trying to make north

Sunday Feb 15th

Come in with calms and light variable winds and we are trying to get back to the Island

Lat 18° 47'

Long 157° 12'

Monday Feb 16th

Come in with calms and light variable air with heavy cross swell. And for the past week we have been trying to get back to Hawaii

Tuesday Feb 17th

Come in with moderate N.E. trades and cruising toward Hawaii.

Wednesday Feb 18th

Come in with gentle breeze and fine weather from N.W. Took in S. Boat to repair. At sundown Kalico Bay bears by compass East 12 miles off

1903.

Cruising off Kealahou Bay Island of Hawaii

Thursday Feb 19th

Come in with light variable winds and cruising off shore off of Kealahou Bay just to the north of Kalico Bay. At 10 A.M. sent a Boat in shore to a Steamer that was anchored in above Bay with two letters one for Capt Fisher at Honolulu and one to my wife. The Steamer was to sail for Honolulu to day. At sundown the Bay bears by compass N.E. by S twelve miles off.

Friday Feb 20th

Come in with fine weather and variable winds until sundown then get fresh breeze from N.W. At sundown Kalico Bay bears by compass S.W. by S 20 miles off

Saturday Feb 21st

Come in with light variable winds and calms with a heavy cross swell. At sundown Kalico Bay bears N.E. by S 12 miles off.

Sunday Feb 22nd

Come in with fine weather and light variable winds. At sundown Kalico Bay bears by compass N.W. 15 miles off

Monday Feb 23rd

Come in with fresh gale from N.W. And standing in shore and off. At 4 P.M.

Lat 18° 54'

Long 156° 33'
