all these 24 hours gentle breezes from
the SE steering W Lat 36 17 S Long 115 50
on the 16th of Jan we took a sperm
whale I was taken sick on the 22nd
went in at King Georges Sound and
lay untill the 9th of Feb sailed again
I am now much better - I don't grant that
I may continue so we lost no men
took on board one Boy Robert Gambell
I don't grant us some oil and a short
voyage I find the Sound to be a bad
place for men to be sent they are in want
of laborers and try to get the crews of
ships
