

Jan 31 Laying at anchor at Vermilion bay at 8 it took our oil on shore and supplied the light with about 325 gallons of oil at 8 P.M. returned we had a long passage off it being head wind and current so ended laying at anchor in Vermilion bay.

Feb 1st still laying at anchor at Vermilion bay employed in stowing off the hold so and putting things for home so ends with fine weather.

Feb 2 Laying at anchor at Vermilion bay for part employed in taking in the long boat and stowing away things for home at 1 P.M. took our anchor bound to New Bedford so ends with strong winds at the S.W.

Feb 11th Laying at anchor at Key West we came in here at 4 P.M. we left Vermilion bay on the 2nd and it began to blow the first night out and it blew a gale from almost every point of the point of the compass until the 9 at 10 it did we had a very heavy squall of wind and rain at 11 it died away calm with a heavy sea running at 12 M. in jibing ship crossed away the wheel at 1 P.M. fitted the wheel and on the 10 it began to blowing again and it blew a gale at the S.W. when we came in here so ends Laying anchor at Key West Florida.

Feb 16th Laying at anchor at Key West and fine weather we have been here five days and it has been blowing a gale about ever since we came here until this morning it is now light winds and pleasant weather at 6 P.M. took our anchor and made sail for New Bedford so ends sailing towards New Bedford.

Feb 28th at M. arrived at New Bedford having made the passage from Key West in 13 days and we have had a good deal of rough weather. He sailed the last day of Oct ¹⁸⁴² and arrived the last day of Feb 1850.
