Braley Master 1881

15 Friday June 3rd Lat 3:07 N
Long 26:51 W
This day with S.E. trade fresh with pleasant
weather employed at ship's duties all day
the prisoners a West India man was heard
by the carpenter to say if he had 6 of
his countrymen that he would clean
all of the sun by Bitcher out
he was called up and asked if the
Capt if he said such and said that
he did say he would like to have
7 more of his countrymen he was then
was asked what he would do if he had
7 more of his countrymen and he did not
wish to answer the question and was sent
below again all the carpenter said that he
said that he knew that the officers
& Capt to had no doubt but did not care
a damn for them if he only had 7 more
of his countrymen this happened at 7 P.M.
