

A Journal on board the ship Emma

Remarks on board the ship Emma
 On the 24th hours commenced from the wind rose to the S. and
 the waves beating up to the windward at 2 p.m. got down
 A long sail, got dinner, and commenced cutting in
 which at sunset took in sail, got supper, and set the
 Mith quarter, watches at day, till at 11 o'clock
 had wind sail, and went to sleep. From the rest of
 the oil and water, rashes finished at 10 p.m. and
 started the masts. So ends this day
