no whale to be seen

later got up to the ice fine weather  
strong breeze and breeze

Lat 64.24 Long 179.55 East

the Sun sets at 12 at night or  
rises at 2 in the morning

No. 3 Friday 21 winds S and clear  
standing in for the ice at 2 PM got in  
to it sent in the boat to haul a whale  
at 4 PM saw and struck a whale keel run  
in to the ice 4 miles but we killed him on  
the ice took him I saw and saw along the  
ice and killed him at 11. at night took  
him the ship then commenced cutting  
at 5 in the morning finished cutting  
then commenced loading

late colors Lat 64.25 Long 179.50 East

Saturday 22 Light rain blowing at 4  
PM spoke Sunday at 6 PM spoke  
the weather then in fine the ice extending  
E and west as far as the eye can see  
Lying of ice on the ice  
Middle and later blowing quite a good  
strong S.W. wind fore and by. Myself  
and having W. 11. hard times have  
the desperado of and getting the
