

Enterprise & Enduring

Thurs. day 18th

Grp. thick fog lying on
the S. side of the river all
at S. Eve. Noct. of June 1st
Stormy dawn 50. 66. 68

Middle thick fog bound through
the straits spoke steep waves and
Euphonia's games with them
untill 11 One then ported company
Later thick fog lying a back

Wednesday 19th Leigh Harris from
I had my to 1st W.C. with pag

Mischie and Eaton watch the game
Late fifth hour through the streets

Saturday 20 Calms and stick-
ling with Main yards a back
warded found 2.5 fathoms

Middle with fog drifting through the straits at 10 AM. Saw and spoke Sir Camp. Public then came to brother in company with him.

Lest thick fog and dull

Sunday 21. Light breeze from E
and thick fog lying to astward in
Saw part of 2 Wharfs straits thick
fog and no whales but in hopes
they will be soon for I am
homesick

Middle Stickfay and Light Crags
from S.E.

for Bohadur July 18. Lost 64.40. Long 173.10^W

Monday 22.

Countryside with Calms and
 thick fog lying to our feet at
 1 P.M. got under way & leaving
 at 3 P.M. came to anchor again
 the fog thick as ever time gone and
 nothing coming in what can
 I do what shall I do I must
 be contented with what ever comes
 along shall live in hopes to quit port
 this season if I do a what a thank
 for I ought to have and shall have

• Middle Stück. for Lynette and her
fell in with George Holburne & came
on board

Later thick fog completely shrouded
in this dark megacore

Tuesday 23rd It fore the
 for going at interest (you know
 a loan

No. 8 Middle ditto at 7th St. Street
up got under way shipping W in
for the layer at 10 P.M. and
I struck kids and took a walk
to the ship.

I ate thick fog again while
Larg stays side. windless
but the blacksmith repairing not
windless

W. 24 Thick fog lying at anchor at 3 PM
commence cutting at 4 PM finish
cutting at 5 PM

During Middle and Late blowing strong from
S of W gave the ship more Churn
but less water
