

Ship Liverpool Cruising Jr

Remarks Sunday 6th
 This Day Light Breeze from SSW
 steering Different Courses a plenty
 of Ship in sight to the North
 2 Whales for the last
 10. Day have stowed them down
 now I am bound to the NE
 2 Ship in sight a boiling light rain
 from S.W. corner N.W.E the
 Amashunks in sight

Lat this Day is 60.50
 Long 175.03

Remarks Monday June 13
 This Day thick Rainy cold
 wet weather lying of and on
 Cape Thadens in Company with
 Sun 15. Sail of Ship have seen
 but few whales for the 10
 Day I can see none now then
 a Ship boiling I want to know
 which way to go the times
 seems hard and dull but am
 in hope that a clear place
 will clear the air before long
 and leave us to smile and be
 glad at 8 the Sun and Land
 for bowhead much milk at 9 took
 him to the Ship with 8 Rainy
 at 4 in the morning commenced
 cutting at 9 finished cutting whales
 in the Land no such set

S. Ends whole in sight

Bowhead June 152

Monday 14, fine weather
 at 2 in the morning for whales at
 4 in the morning much milk at 6 took him
 to the Ship then commenced cutting
 at 9 in the morning commenced
 cutting at 2 5 Ship in sight
 40 me
