Sunday June 15 Saw a ship Chasing
whales Lat 19.20 Long 92.20
I saw Chase no success

Left Archer Ground June 19, 1862
Made there just one month saw
nothing Bound to Charles Island
Strong Trades Course N. by W

Remarks Saturday July 26, 1862
This day found myself lost in the East
Lat 50 Miles South I saw for Humphach
For the first time got near at 5 PM
Came to anchor close in shore
Sunday Mr got underway sent the boat
Long shore in search of H.B. at 3 PM S.B.
Struck then cut off his line and
Came home

Monday the boatmen mist an other one
that finished this day 28 July
lying 7 and Lat 30 M South

On the first of August arrived
on atacama ground

Commenced H. backing Trade there
until the 15. of Sept got 5 H. backs
making 150 Bbls oil then left on
account of the scarcity of Whales

150 Bbls Humpbacks Taken
Second season Aug 1862 atacamas

Now I am cruising on atacamas
ground in search of sail Sept 23
1862

Lat 1.40 Long 81.00
When shall I get some sperm oil I do
hope before long

Oct 17. 1862 at 5 AM I saw and
saw for sperm whales Chase them
all day with no success
Lat 0.16 South Long 85.02

Sunday Oct 25th 1862
Saw sperm whales Lat 1.35 South
Long 81.15 Chase them all
day to no success
