

196
Sunday October 3rd 1848
at 11 AM raised Mahoe
baring S.W. Dist 55 miles kept of
W.S.W. for Mahoe the last mentioned sail
in sight ahead brisk breeze and flying
clouds from E.N.E

Saturday November

Thursday 2nd November 1848
myself and Mrs Gary down sick with
the Meaze

Thursday November 2nd 1848
Honolulu Oahu myself and
Mrs Gary the 1st officers down sick with the
Measles took plenty of castor oil so ends

Friday 3rd much the same groaning it
out I, the niggers Measles

Saturday 4th no better but we cant
stanit much longer took more castor
oil and met at it another day

Sunday 5th rather better but I had
at best cant helpit eat to stanit

Monday 6th Mrs Gary getting better
eat a whole chicking also he will get
but myself much the same cant eat
nothing

Tuesday 7th more better but head
and eyes verry bad

Wednesday 8th quite well but verry
weak so ends the Measles at least
i hope so for i have had anup of them
to satisfy mee
