

New York Harbor June 3rd
 Sch. Chas. C. Warren, Capt Peter Smith
 sailed from Pier 13 East River for
 Trinidad W.I. at about 10 o'clock June 3rd
 After towing to Jersey Flats we let go
 anchor, and lay until about 6 o'clock
 when we again got under way and
 beat down towards Sandy Hook
 the wind growing light after about
 an hour, we came to under Staten
 Island and then lay all night.

Off Staten Island June 4th
 Went on deck this morning and found
 it thick fog and a stark calm after
 getting our Hot Coffee, shifted our
 bunks from the waist to the Quarter Deck
 the vessel being by the head. Got under
 way and ran as far as Quarantine
 Island then let go anchor and lay
 all night weather still foggy & calm
 light.

At Sea. June 5th 1869
 Got under way this morning at about
 6 1/2 o'clock and beat out by Sandy Hook
 wind continuing to breeze up - at 10 o'clock
 we are going along fairly steering about
 E.S.E. - Just before 12 m. the Capt.
 called to us that if we wished to speak
 the Bark Burnside there would soon be
 Charles - went on deck and sure enough
 there was the Burnside on our weather Bow
 and not more than 1/4 of a mile off - The
 Capt & mate were aft by the wheel House and
 the second mate on the deck we waived to
 them and they answered we ran on some
 time constantly nearing them, when we
 went about they crossed our Stern in
 easy hauling distance we wished each other
 Good Voyage and so we separated to wait
 when; - When we came up from dinner I

was Hall down standing E.S.E. We stood
 on the inshore tack heading S.W. till 5 P.M.
 when we went about and stood off - when we
 tacked Long Branch N.J. was close aboard
 soon after we had quite a little squall from
 W.W. took in everything but the foresail and
 let her run - After the squall we had a fair
 wind for the rest of the day night, our course
 being S by E -

Sunday June 6th Two sails
 in sight - weather fine wind fair course
 S.S.E. going along fairly - so continued through
 the 24 hours.

Monday June 7th Wind
 fair - course S.S.E. - weather fine - during
 the day saw & passed several sails
 all as we believe now in the Gulf Stream
 hope to be through soon - nothing new
 or notable happened this 24 hours.

Tuesday June 8th
 Commenced with fine strong breezes -
 from N.E. course S.S.E. Weather very
 warm in Sun - during the night
 passed several vessels one a ship
 close aboard - have seen several this
 morning and run them out of sight
 at (11 o'clock Am.) this time there are
 two in sight -
