 Starboard watch went ashore on liberty
 13th Commences with fair weather
 The Starboard watch went ashore on liberty
 this morning There is not much to day
 as this is the last day that I expect
 to be ashore on liberty I will give a
 slight description of this place The
 natives are very friendly to the sailors
 especially the fair sex who lavish their
 favors on them as long as their is no
 sailors showed to others The principal
 productions of this Island are Oranges limes
 Bananas Coconuts Yams Garow and Breadfruit
 14th Commences with fair weather The Starboard
 Watch went ashore on liberty this morning
 15th Commences with fair weather Men employed
 in getting the provisions aboard and storing
 it away The Bark Matilda Sears of Dartmouth sailed
 this morning bound out on a cruise of a few
 weeks leaving Capt King ashore until he got better
 the first Officer having taken charge as per
 16th Commences with fair weather Men employed
 in getting the provisions aboard and storing
 it away The Bark Matilda Sears of Dartmouth sailed
 this morning bound out on a cruise of a few
 weeks leaving Capt King ashore until he got better
 the first Officer having taken charge as per
 17th Commences with cloudy weather We
 got under way this morning but the wind
 falling ahead we let go the anchor
 18th Commences with fair weather We
 set the Yapsails this morning and were
 short but the Pilot did not come
 19th Commences with fair weather The
 Pilot came aboard this morning at
 daylight We called all hands made sail
 but the wind not proving
 fair we were obliged to pay out the
 cable again and wait for a fair wind
 20th Commences with fair weather We
 set the Yapsails and sailed them the wind
 coming ahead we let go the anchor
