On the American Grand 1882 167

Su Jan 1st 1882
Commenced Light Breeze from North
1 1/4 Clock I saw Long Sperm whale
2 Clock Squared 3 Clock Struck
4 Clock Long Side with him
put up cutting gear & commenced
cutting on the head whales head
sinking very heavy 8 Clock paid
all best for the night after
the meat struck up it Accident
of ben for the other boats
the whale would of gone to
Hell so ended Lat 31.56
Long 6.20

Commenced Heft & Whale Sinking
Heavy hooked on & went to work
took him for 9 Clock took in
the small lot water so ended

Tu Jan 3rd
