

56 Log of the Bark Globe of N Bedford Wm Hendy Master

Day	Time	Force of the Wind	State of the Weather	Ship's Course	Remarks on board Monday May 8th 1854
2	10	Strong	Cloudy	E by N	I M but little doing. A M at 12 had
4	11	Gale	Squally		main topgallant sail and foretopmast
6					standing sail. I set Joseph Colson to
8		Strong			overhaul the stow mate to overhaul
10		Gale	Squally	E by N	the stow burden but he went and got
12	11				the fish tackle and have the blocks rather
2					roughly I then set the starboard boat
4		Moderate			stern to over haul the burden and he
6			Cloudy		have the things that come in the way with
8					all of his might but went to work
10		Gale		E by N	A kanache by the name of Okeemee refused
12	11				in the most positive manner make up the
					gaskets on the fore yard but went when
					the captain told him to

Lat by Ob 34° 40' S L 102° 48' West

Remarks on board Tuesday May 9th

2	10	Moderate	Broken clouds	E by N	I M mended the main top gallant
4	11				standing sail.
6	12	Gale	Overcast		There is several of the crew whose
8				E by N	conduct is quite mysterious the
10			cloudy		captain has been below sick several
12	11				days and I suppose they think there
2		Gentle			is no captain and they are there one
4				E by N	captains
6	11		Broken		A M mended the maintopgallant
8		Breeze			sail set it and the topgallant
