Aug Friday 18th/71

896th This day commence with a light breeze from the S.W. at 6. o'clock started the work. and lowered the Leeward & Bow Boats for cruising. at 9. o'clock got underweigh and made all sail standing down the Coast. spoke the Nautilus boiling a 40 bbl Whale. at Sundown Boats came aboard. have seen several Whales to day but was unable to strike any of them. Oh dear me I never was more disgusted with any thing than more than I am with this confounded Hump-Back. as for my part I am in hope it will terminate before long. for this season has been very disagreeable to me, and it has been the same to others I imagine.
