

Say Of A Barge Gresham Of Westport

21st Decr Com' with fine weather 2 sails in sight ship heading
Sunday) off shore at 4 pm put out Starboard boat run
Sunday 22nd) Ship in three little part are 3 hours in sight 200

23rd Decr Com' with fine weather 3 sails in sight 200
Monday) Come all the way from Panama seen nothing
Sunday 24th) Mid part weather fine at 3 am 3 sails in sight
at 4 am and brought 100 and fifty lbs of
all old shoes and took them on board 200
all sail Steady 200 200

25th Decr Com' with fine weather 3 sails in sight 200
Tuesday 26th) Shook at 6 pm 2 sails in sight at 6 pm
Luffed to the wind in shore at daylight 200
off shore at 7 am 2 sails in sight 200
Coming to windward quick Succeeded in getting in
ahead of me but he see the boat before he
could get nigh enough to strike and settled
whale all took to windward still faster
took care in shore 6 miles to windward
got up with 2 large whales coming to shore
first boat went in good chance and
he was killed fair fly climbed here back
whale took to land 200 200 in shore

On The Galloo Green

21st Decr Com' with Chasing Starboard Succeeded in getting
22nd Decr) Most on whale still but they nothing out but
Sunday 23rd) Sails but they see the boat all the time they
settles never saw them shore come on board
at 4 pm took up the boat made all sail
shore whale coming to land at 5 pm 200
again Starboard boat got most on after 200
whale see the boat and settled to deck 200
them no more come on board with a hard dog
and such whale 200 the great many blackfish
Charging them up 200 put lying black at 7 am
200 whales coming to 200 Starboard boat
Succeeded in striking 200 the others took off 200
boat faster whale took to windward the other
boat sailing at 11 am killed the whale 200
200 miles to the windward of the ship light breeze
200 200 with tony

24th Decr Com' with tony light breeze at 6 pm got him along
Monday 25th) Side Mid part getting ready for cutting at 6 am
200 20th) hooked on at 10 got in body and 200 200

26th Decr Com' with light breeze nothing in sight hooked on
Tuesday 27th) to the care took it in on deck at 4 pm got
Sunday 28th) deck clear at 6 pm began to load body 200
heading off shore 200 the same better part 200
in sight doing nothing 200 200 with body 200

200 200 200
