

Towards Cape Horn in the year 1846
 and January 1847 the 9th day of
 it by day light sail was down and washed
 off the deck which part employed men in
 the maintenance of the ship on board the
 ship. The ship was lost the other day 31.17

Saturday January 11th 1847
 Coast the day continues with light rain
 and all hands are wet the fore and
 got up at 11 o'clock and made light it and got it ready
 to land. The first employed doing ship's duty
 father had written off. He was

Strong Breeze and Cloudy weather Steady
 S by East

Captain in attendance at day morning
 with interest
 the other received to pay the debt
 received in the place in great order
 to the day tomorrow but not done the
 taken to a party of men and he has got
 long the day. Constable John
 long from age mother & mother & mother
 with interest from in the
 John the hunting light water hand
 father of the first day June and
 the board from June and the day then
 in John West let other let of day
