

2 Last William

William was a royal house

Best with lady and good love

and his love he did discover

To all lady young and fair

They went quite he married

And they were in Richard

And in that a king married

And William was and dear to

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married

And in that a king married
