of rope & canvas with strong  
winds and heavy rain squalls  
at 10 P.M. we reefed the top sails  
the middle and latter part of the  
day the same so ends this 24 hours

Tuesday the 25

This day been with strong winds  
and heavy rain squalls at 11 P.M.  
we took it sail in our lee beam  
at 6 A.M. we spoke his it was  
the ship the name of A B is about  
1500 tons so ends this 24

hours lat 2. Saw

Wednesday the 27

This day been with light winds  
and fine weather the ship was  
still in sight the middle and latter  
part the wind light and rain  
so ends this 24 hours

Thursday the 28

This day been with strong winds  
and heavy rain the middle and  
latter part much the same  
so ends this 24 hours

Friday the 29

This day been with light winds  
and fine weather all hands employed  
in ships duty nothing in sight the  
day so ends this 24 hours

Saturday the 30

This day been with light winds and  
fine weather all hands employed in  
ships duty the latter part we  
killed a hog for the stew to have  
a blow out the latter part the weather  
much the same steering at 10 P.M.

Sunday the 31

This day been with brisk wind and  
fine weather at 10 A.M. we made  
hope Island we ran under the lee  
of the Island and hauled it back and  
the natives came on board I suppose  
we had on board it hundred men and  
women in one hour while loading  
it back the ship mine we came down and  
spoke us so the latter part we saw  
two more ships and saw the latter part  
at two points on our weather beam  
it lay in 24 hours

so ends this 24 hours  
it being the New years eve
