

Berk Junius Oct 9th 1848
 Sunday Night

What thought fill my mind this
 night, of home sweet home could I but
 know this Night what is passing there
 Whether my wife & dear boy are well and
 happy or what has become of them I cannot
 tell what it is that makes think god
 in his goodness has cherished them and provided
 for them for could god desert such a wife as
 mine no he will cherish her and watch
 and protect her through all the afflictions
 of life

John Winslow
