here, S.E. by E. dist 4 Leagues Middle and
Latter parts much the same

Tuesday April the 17th
Commences fresh breezes N.E. at P.M. the
Capt. and myself went into the Harbor
and Boiled a Fish in a hot Spring
which it appears is fraught with a
subterraneous fire, we found a paper
stating that the Ship Mary Ann of London
had stopt there for her passage to
Sydney for fresh water, but was

Fisher Master towards St. Pauls

not so fortunate as to procure any
the hot Spring being salt, and partially
impregnated with Sulphur, after examining
the place to our own satisfaction, we caught
about five lbs. of fish, and 250 Cray fish,
which are similar to a Lobster,

Middle and Latter parts fresh winds
and cloudy weather, from North steering
E.S.E. under all sail so far this day
