Thursday Feb 2 1849.

Friday Feb. 2 1849

took in the fish women for Cell said then ^{by} the
fish women to the boat. The boat
separated in the harbor a little stirring the boat
put the Boat Boat on for after. Came also
one reef in the harbor to the boat the vessel has handled
snow off. Guarded in the harbor which found that
she had reached home. Then over the Capt. went
on shore to see if I could hear or see any thing
of it in the Fox Park manner the strong I went
and could hear it some way plain but could
not see it. He and the crew came to
hear it. Think it is between the stern and
stern in the Timber Head and can not be
seen on the inside but the house in Fort
would cheer in for me. Night. But it then whereas
it will be a difficult to see. I did not
now decide what they should about the sick
repaired the Lamp to the Cross Jack. The
paw was to be kept - kept her up to the fuel
the steam sail and fish saying every one
left the steam at the. What has her hand
full once and is glad to hear the boy full
sound of the ship and Labrador. With a hor
